Item 8.01 Other Information

Heat Biologics, Inc. (the “Company”) entered into At Market Issuance Sales Agreement, dated April 3, 2019, as amended by Amendment No. 1 (“Amendment No. 1”) on April 23, 2020 (the “Sales Agreement”), with B. Riley FBR, Inc. (“B. Riley FBR”) pursuant to which the Company may offer and sell, from time to time, at its option, shares of the Company’s common stock, par value \$0.0002 per share (the “Common Stock”), through B. Riley FBR, as sales agent (the “Sales Agent”), in an “at the market” offering (the “ATM Offering”). As of July 23, 2020, the Company has issued and sold an aggregate of 50,179,390 shares of Common Stock for aggregate gross proceeds of approximately \$49,902,377 pursuant to the Sales Agreement under the Company’s effective shelf Registration Statement on Form S-3 (File No. 333-237808)(the “Registration Statement”), utilizing a prior prospectus dated May 4, 2020. On July 27, 2020, the Company filed a new prospectus supplement (the “ATM Prospectus Supplement”) pursuant to the Registration Statement for the offer and sale of shares of Common Stock having an aggregate offering price of up to \$100,000,000 from time to time through or to B. Riley FBR acting as sales agent or principal.

Under the terms of the Sales Agreement, in no event will the Company issue or sell through the Sales Agent such number or dollar amount of shares of Common Stock that would (i) exceed the number or dollar amount of shares of Common Stock registered and available on the Registration Statement, (ii) exceed the number of authorized but unissued shares of Common Stock, (iii) exceed the number or dollar amount of shares of Common Stock permitted to be sold under Form S-3 (including General Instruction I.B.6 thereof, if applicable), or (iv) exceed the number or dollar amount of Common Stock for which the Company has filed a prospectus supplement to the Registration Statement.

Under the terms of the Sales Agreement, the Company may sell shares of its Common Stock through B. Riley FBR by any method permitted that is deemed an “at the market offering” as defined in Rule 415 under the Securities Act of 1933, as amended (the “Securities Act”). B. Riley FBR will use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations to sell the Company’s Common Stock from time to time, based upon the Company’s instructions (including any price, time or size limits or other customary parameters or conditions the Company may impose). Actual sales will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Company’s Common Stock, capital needs and determinations by the Company of the appropriate sources of funding for the Company. The Company is not obligated to make any sales of Common Stock under the Sales Agreement and the Company cannot provide any assurances that it will issue any shares pursuant to the Sales Agreement. The Company will pay a commission rate of up to 3.0% of the gross sales price per share sold and agreed to reimburse B. Riley FBR for certain specified expenses, including the fees and disbursements of its legal counsel in an amount not to exceed \$50,000 and have agreed to reimburse B. Riley FBR an amount not to exceed \$2,500 per quarter during the term of the sales agreement for legal fees to be incurred by B. Riley FBR. The Company has also agreed pursuant to the Sales Agreement to provide B. Riley FBR with customary indemnification and contribution rights.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy any security nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The description of the Sales Agreement and Amendment No. 1 does not purport to be complete and is qualified in its entirety by reference to the full text of the Sales Agreement and Amendment No. 1, copies of which are included herewith as Exhibits 1.1. and 1.2, and are incorporated herein by reference.

The opinion of the Company’s counsel regarding the validity of the shares of Common Stock that will be issued pursuant to the Sales Agreement and the ATM Prospectus Supplement is also filed herewith as Exhibit 5.1.

The representations, warranties and covenants contained in the Sales Agreement and Amendment No. 1 were made solely for the benefit of the parties thereto. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Sales Agreement and Amendment No. 1 and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Sales Agreement and Amendment No. 1, which subsequent information may or may not be fully reflected in public disclosures.

Ladies and Gentlemen:

We have acted as counsel to Heat Biologics, Inc., a Delaware corporation (the "Company"), in connection with the proposed issuance of up to \$100,000,000 of shares (the "Shares") of common stock of the Company, par value \$0.0002 per share (the "Common Stock"). The Shares are included in a Registration Statement on Form S-3 (File No. 333-237808) (the "Registration Statement"), filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), and declared effective by the Commission on May 4, 2020, a base prospectus, dated May 4, 2020, included in the Registration Statement at the time it originally became effective (the "Base Prospectus"), and a prospectus supplement, dated July 27, 2020, filed on the date hereof with the Commission pursuant to Rule 424(b) under the Securities Act (together with the Base Prospectus, the "Prospectus"). The Shares are being sold pursuant to an At Market Issuance Sales Agreement, dated April 3, 2019, as amended on April 23, 2020, by and between the Company and B. Riley FBR, Inc. (the "Sales Agreement").

This opinion letter is being delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

As counsel to the Company, we have examined and relied upon the Registration Statement, the Prospectus, the Sales Agreement, and the originals or copies, certified or otherwise identified to our satisfaction, of such other documents, corporate records, certificates of public officials and other instruments as we have deemed necessary for the purposes of rendering this opinion and we are familiar with the proceedings taken and proposed to be taken by the Company in connection with the authorization, issuance and sale of the Shares. In our examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with the originals of all documents submitted to us as copies.

In rendering the opinion set forth below, we have assumed that the Shares will be sold in all events for cash consideration per Share equal to or greater than the par value of the Common Stock. In addition, we have also assumed that the Company will comply with all applicable notice requirements regarding uncertificated shares provided in the Delaware General Corporation Law (the "DGCL").

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, when the Shares shall have been duly registered on the books of the transfer agent and registrar therefor in the name or on behalf of the purchasers, and have been issued by the Company against payment therefor (for cash consideration not less than the par value of the Common Stock) in the circumstances contemplated by the Sales Agreement, the issue and sale of the Shares will have been duly authorized by all necessary corporate action of the Company, and the Shares will be validly issued, fully paid and nonassessable. In rendering the foregoing opinion, we have assumed that upon the issue of any of the Shares, the total number of shares of Common Stock issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue under its Third Amended and Restated Certificate of Incorporation, as amended.

We express no opinion as to matters governed by any laws other than the DGCL and applicable reported judicial decisions as in effect on the date hereof.

We hereby consent to the reference to our firm under the caption "Legal Matters" in the Prospectus and to the filing of this opinion as Exhibit 5.1 to the Company's Current Report on Form 8-K relating to the issuance and sale of the Shares pursuant to the Sales Agreement. In giving our consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

This opinion is delivered solely in connection with the consummation of the transactions described herein, and may not be relied upon by you for any other purpose nor by any other person for any purpose.

Very truly yours,

/s/ Gracin & Marlow, LLP
